Map Work Africa

Focus Question: What are the causes and effects of changing borders

Directions:

- 1) Label the map titled "Scramble for Africa" with ALL the modern countries using the Atlas map on page A16 (front of the book).
- 2) Choose 8 different colors to share with your group.
- 3) Turn to page 343. On your "Scramble for Africa" map, create a colored coded key for the "Imperialism in Africa, 1913" map of the controlling countries. You do not need to include the Boers or the Ottomans. Your colors might be different than the colors in the book.
- 4) Shade the map according to the color of the corresponding controlling countries.
- 5) Fill out the chart matching the modern country with the 1913 controlling country.
- 6) Shade the color of the controlling country on the table below.
